

PARTNERS IN FAITH & FAMILY HOME SCHOOL PROGRAMS
PARENT COMMITMENT

While educating (or catechizing) children in the faith is the primary responsibility of the parents, pastors also have a responsibility to ensure that all children are catechized through religious education programs that satisfy diocesan requirements. This commitment letter substantiates that you, as a parent, are taking a direct role in catechizing your children by either the *Partners in Faith* or the *Family Home School* programs, and will ensure that they receive a formation at least as substantial as they would receive through a traditional classroom PSR Program. Participation at Sunday mass is assumed since all of our Catholic faith flows from and to the Eucharist. This commitment to the *Partners in Faith* or *Family Home School* program requires the following:

For BOTH PROGRAMS:

- **Teaching and guiding the memorization of formal prayers;**
- **Completion of “Unit Assessments” from “Alive in Christ” textbook series;**
- **Attendance at all *Faith Matters* sessions (Dates to be determined) for FAMILY CATECHESIS**

For *Partners in Faith* PSR:

- **Completion of textbook chapters not covered during the summer immersion week, including “Unit Assessments” from “Alive in Christ” textbook series;**
- **Completion of textbook liturgical year activities;**
- **Attendance at Parent Meeting:**
 - Monday, July 10, 2017 at 8:45 am (morning class) - or -
 - Monday, July 10, 2017 at 1:15 pm (afternoon class)

For *Family Home School* PSR:

- **Completion of all textbook chapters including “Unit Assessments” from “Alive in Christ” textbook series;**
- **Completion of textbook liturgical year activities;**
- **Attendance at Parent Meeting:**
 - Wednesday, September 6, 2017 at 7:00 pm

If these requirements are not fulfilled, in the following year your children will be placed in the classroom PSR Program, and your registration to *Partners in Faith* or *Family Home School* will not be accepted.
